

## Village Lutheran Church Stewardship Offering Pledge: 2023

**Please complete the top portion of this form and place it in the offering plate at a Divine Service on Nov. 20, 2022, or on a Sunday at your convenience.** You may also mail or hand-deliver the form to the church office (9237 Clayton Road; St. Louis, MO 63124).

**This anonymous form is intended to serve as a reminder and pledge of how we manage God's gifts to us.** Our Lord is generous with His earthly gifts. In response, we thankfully and cheerfully give back to His Church.

**A separate form should be submitted by each household or individual that receives offering envelopes.** A high percentage of pledge responses from each household is needed in order for church leaders to more accurately plan the 2023 budget.

**Please prayerfully consider your 2023 pledge.** While tithing (10 percent) your income should be considered neither a rule for nor a limit to giving, it is a guide with scriptural precedent.

As I (we) consider my (our) blessings and respond in thankfulness to God, the giver of all gifts, I (we), to the best of my (our) ability, commit to His work at and through Village Lutheran Church in the year of our Lord 2023 the following:

\$ \_\_\_\_\_  
**Please circle one:**    weekly            monthly            annually

How can Village Lutheran Church use our resources to benefit our community and the Church? The appropriate VLC leader and board will consider your ideas. You may also send comments/questions to [stewardship@villagelutheranchurch.org](mailto:stewardship@villagelutheranchurch.org).

.....

Please detach at the dotted line and keep this portion for your records as a reminder of your financial commitment to the Lord's work at and through Village Lutheran Church in 2023.
